TOKYO AREA IS BEING SHELLED

RELENTLESS THIRD U. S. FLEET BLASTS ENTRANCE TO TOKYO

AMERICAN CRUISERS AND DESTROYERS SAIL TO WITHIN 5 MILES SHORE

By HAMILTON W. FARRON
GUAM, July 19.—(P)—The relentless U. S. Third fleet pounded the entrance to Tokyo Bay today to carry the air and sea battering of the mikado's capital into its third straight day.

Japanese broadcasts said the great allied fleet "is believed to be still roaming off our Pacific coast" hunting for potential invasion beaches, but it sent no carrier planes over Nippon today.

American cruisers and destroyers went within less than two miles of shore to bombard coastal installations on Japan's Chiba peninsula, the east entrance to Tokyo Bay.

One large explosion was seen, but Adm. Chester W. Nimitz said full reports were still lacking. He revealed that the cruisers Topeka, Oklahoma City, Atlanta and Dayton and the destroyers Ault and John W. Weeks were among the ships that struck the blow.

For more than an hour, beginning late last night and continuing today, their guns blasted shore defenses around Nujima Point. Nujima is 50 miles south of Tokyo and 55 miles from the imperial palace.

Followed Plane Attack.

The shelling followed by a few hours an attack by Third fleet carrier planes on the Yokosuka naval base, just inside Tokyo Bay on its west shore and only 18 miles south of Tokyo.

American pilots braved extremely bad weather to catch Nipponese men-of-war in hiding. The enemy warships were believed to range in size up to cruisers but there was no report on how many were hit.

(Radio Tokyo quoted the naval station as estimating that 250 carrier aircraft made the attack and that 40 were shot down and 38 damaged.)

The three-day assault on the Tokyo area started Tuesday when 1,500 American and British planes wrecked numerous defense installations and war plants north of the capital. British planes hit 200 miles north of Tokyo and Americans struck closer and to the south.

Blast 20-Mile Strip.

The same night, Third fleet ships bombarded a 20-mile strip of coast north of Tokyo, the guns roaring until early Wednesday.

Carrier planes renewed the attack yesterday. (Tokyo said 900 planes were shot down.)

Adm. Chester W. Nimitz announced only the lightning assault on the Kokosuka naval base, one of Japan's greatest, and the warships lying in her harbor.

Remnants of the Japanese navy have been in hiding for nine months—since their decisive defeat off the Philippines Oct. 24. They have ignored repeated American

HALIFAX ROCKED BY FOUR BIG EXPLOSIONS OF NAVY MUNITIONS

SET OFF BY JETTY FIRE DAMAGING BLASTS OC-CUR; 13 CASUALTIES

HALIFAX, N. S., July 19.—(P)—Canadian navy munitions set off by a jetty fire rocked the Halifax area overnight with four huge explosions and a series of lesser discharges which ended only after dawn today.

Damaging and crippling blasts persisted for more than 13 hours at the depot, in nearby Dartmouth. One was felt in Saint John, N. B., 125 miles away.

Fear had been expressed that the main magazine, containing 50,000 depth charges, would go up but the explosion dwindled and the flames died down this morning.

A dull thud about 8 a. m. (Eastern War Time) appeared to be the last of the series.

There were 13 known casualties. 12 persons were injured and one was missing.

The whole civilian population of Dartmouth, approximately 17,000 persons, and others living in the north end of Halifax were evacuated on official orders.

For That Battle.

Fireworks dotted the sky. Window glass was shattered. Buildings were rocked on their foundations. A veteran naval officer said the intensity of the explosion was worse than anything he had ever seen in battle.

The great blaze, sending awesome pillars of fire 150 feet into the air and spraying rockets and brilliant flares over the Bedford Basin area, threatened momentarily to touch off the main magazine in the naval armament depot.

The fire raged beyond control as the blasts strewed wreckage over Halifax and Dartmouth and shook buildings miles away.

Casualties Uncertain.

The total number of casualties was uncertain. A Canadian naval officer said he believed no

GREATEST SUPERFORT FLEET EVER SENT OUT BLASTED FOUR CITIES

STRIKING IN MORNING DARKNESS PLANES CARRIED 4,000 TONS BOMBS

By MORRIE LANDSBERG
GUAM, July 20.—(P)—A force of more than 600 B-29s, the greatest Superfort fleet ever sent out against Japan, put the torch early today to four more Nipponese cities.

The targets included Hitachi, shelled yesterday by American and British warships, and an oil refinery, the latter blasted with demolition bombs.

Striking in the morning darkness, the giant bombers carried a load of nearly 4,000 tons of explosives in the 57th of their incendiary attacks, which have charred 46 cities to date on the Japanese mainland.

Most of the Marianas-based planes pounced on the Honshu island cities of Choshi, a primary source of protein for Tokyo, Yokohama and other large population centers; Fukui, one of the most important industrial cities on the west side of Honshu; Okazaki, which took the industrial overflow from nearby Nagoya, and Hitachi.

A smaller force hit the Amakasaki branch of the Nippon oil company just north of Osaka. It was the tenth oil target singled out for destruction by the 20th air force.

Greatest Number Start Raid.

Once before more than 600 Superforts were assigned a single mission, more than 13-29s began today's 3,000-mile round-trip to the target areas than for any other previous strike. How many reached their goals was not known immediately.

Flames licked Choshi, second largest city in the China Prefecture and most important fishing harbor on the east coast of Honshu, and undoubtedly affected its output of food for the great cities to the south.

Russian and British

President Truman was believed emphasizing to his Russian and British Allies today the necessity of winning a quick victory in the Pacific in order to speed the reconstruction of Europe and allow the world economy the benefit of global peace.

The third meeting of the Big Three presumably was scheduled for this afternoon. The president will give a state dinner tonight at the little White House for Premier Stalin and Prime Minister Churchill and five other representatives of the Soviet government.

An official announcement said the Big Three were meeting regularly with an agenda prepared each morning at 11 o'clock by the three foreign secretaries. Secretary of State James F. Byrnes presided at the first foreign secretaries' meeting Monday, with Anthony Eden and V. M. Molotov rotating the chairmanship on succeeding days. The agenda they prepared was a top secret.

RUSSIAN AND BRITISH

Russian and British proposals at Potsdam were believed to be more numerous than those offered by the United States in view of the more detailed policies of the two countries regarding Europe.

President Truman summoned Gen. Omar N. Bradley for a conference tomorrow regarding his new duties as head of the veterans administration.

Soviet-controlled Berlin newspapers gave front page prominence to a dispatch in Red Star of Moscow on the urgency of clinching postwar interallied cooperation at the Potsdam conference.

Harmony Apparent

The momentous conference swung into its third day to all appearances on a note of harmony.

Chief American interest centered in what steps the three statesmen

will take over the Sinclair Rubber Co.

ATTENDED BY HONOR GUARDS PROMINENT WOMAN LIES IN STATE

RITES FOR MRS. CLARA DRISCOLL HELD IN SAN ANTONIO THURSDAY

SAN ANTONIO, July 19.—(P)—Attended by honor guards chosen from the San Antonio Police Department, the Texas Federation of Women's Clubs, and the Daughters of the Republic of Texas, the body of Mrs. Clara Driscoll lay in state at the Alamo from 10 a.m. to 1 p.m. today.

The decision would substantially reduce rates on manufactured products in the West and South and increase similar rates in the East.

William H. Dana, chairman of the western traffic executive committee, in announcing filing of the petition, declared the West "faces the alternatives of bankrupt railroads or higher rates on agricultural products, livestock, and raw materials" if the decision is allowed to stand.

The broadcast said the Eighth route army had captured Chanthaburi, some 75 miles northeast of Tsinan in the northern province of Shantung, and the town of Shansien south of Tsinan. Tsinan is 180 miles south of Tientsin.

The high command admitted that part of the Japanese garrison from Amoy which was heading overland toward Swatow had captured the highway junction of Yungshien against Chinese resistance. Yungshien is on the coastal highway 65 miles northeast of Swatow.

Meanwhile, to the far northeast, Chinese forces have driven the Japanese from two towns and are advancing on another, according to a communists' Yenan radio broadcast heard by the FCC.

DEMONSTRATION OF INSECT CONTROL IS LARGELY ATTENDED

A good crowd attended the rotation insect control demonstration Wednesday at the J. W. David farm in the Pickett community, according to an announcement.

M. P. Jones, entomologist from the United States department of agriculture, Washington, and Paul Gregg, A. and M. College, assistant entomologist, conducted the demonstration and inspection.

The cotton that had been dusted against insects showed 16 per cent yield increase, while the not dusted showed 42 per cent. It was revealed Wednesday afternoon at the office of H. C. Robinson, county agent.

president, formed an honor guard

from that organization.

Memorial Services

In tribute to Mrs. Driscoll, philanthropist and business and civic leader, who died Tuesday

at her home in Corpus Christi, approximately 1,000 women's clubs

throughout the state will conduct

memorial services.

Her body was to lie in state at the Alamo from 10 a.m. to 1 p.m. today. Burial will be in the Alamo Masonic cemetery.

Mrs. Driscoll, 64, died in Corpus

Christ Tuesday night, at her penthouse apartment atop the Driscoll Hotel, which she owned.

Past presidents of the Texas

Federation of Women's Clubs and

state board members who live in

San Antonio will form an honor

group for the funeral service.

Mrs. Florence Scott of Rio

Grande City, president of the Red

Cross, said it planned to build

an ever-flowing fountain on the

grounds of the state headquarters

building in Austin as a memorial

to Mrs. Driscoll, who paid off almost \$100,000 indebtedness on the

VETERAN HOME—Pfc. Aubrey L.

Young, 21, U. S. army infantry

veteran of 13 months overseas service

in the European theatre of operations with the Third, Seventh, and Ninth Argies, is now

spending a 30-day furlough with

his parents, Mr. and Mrs. Earl

Young, Corsicana, Route 4. He

will report to Fort Sam Houston

August 8, for reassignment and

expects to be sent to the Pacific

area. He entered the service

October, 1942.

This is no time to be chal-

lenging the patriotism of Shrim-

mon, Patterson and McCloy, Thom-

ason said. "I trust that and I

think they are great men."

Complete Probe.

Thomason said his sub-commi-

ttee intends to make a complete

but "absolutely fair" investigation

of the army's policies with re-

spect to commissioning men with

questionable backgrounds.

The war department came to

quick defense yesterday of sixteen

army officers and men described

on Capitol Hill as having back-

grounds which "reflect commun-

ism."

A department statement said

thorough investigation of the com-

missioned and non-commissioned

personnel listed "did not lead the

army to conclude that any of the

individuals was disaffected or dan-

gerous."

The statement was issued shortly

after a house military subcom-

mittee made public the names as

compiled by the committee's chief

counsel, H. Ralph Burton, and sub-

mitted to the group in private tem-

emony.

of her time and money and what

was good for Texas."

He said that W. H. Kittrell, Jr.,

secretary of the state committee,

was the state party organization

representative for the funeral.

COMMUNISM

my home from Germany. I hope

he continues his policy of living

in the house and begins with the department."

Take Issue.

Several congressmen took issue

with Rankin immediately and sharp

debate continued in the

house for several minutes.

Rep. Sabath (D-Ill.) asserted

"these men have performed a

very valuable service to their

country and it is indeed unfortunate

the one gentleman should attack

them."

Rep. Folger (D-N.C.) declared

Rankin's remarks "are deplorable."

Rep. Pittenger (R-Minn.) com-

mented:

"I think it is indeed unfortunate

that we make any statements reflect-

ing on the confidence people have

in the fine work these offici-

als are doing and have been doing."

Stimson and McCloy are with

President Truman's party at the

Big Three meeting in Germany.

Rep. Thomason (D-Texas), chair-

man of house military sub-com-

mittee investigating Communist

activities, asserted results proved

Stimson, Patterson and McCloy

"knew what they were doing."

The war department, Thomason

said, is "human and they've

made mistakes, but they're mistakes

of the head and not specially

of the heart."

acy and extent of the emergency will not permit a further delay without irreparable damage to the war effort.

Members of the CIO oil workers international union local at the Sinclair plant voted Monday 361 to 129 to strike. The union had sought to reopen its contract with the company and to obtain a union shop in place of a union security clause.

The president's seizure order was recommended by Director of Economic Stabilization William H. Davis, who said that if a walkout took place similar labor disturbances probably would occur immediately at the adjacent oil refinery of the Sinclair Refinery company. Davis said plants of the Sinclair company and nearby refineries are turning out products which are urgently required for the war effort.

H. L. Pelzer, manager of the Houston plant, said last night that any work stoppage would curtail production for three weeks.

E. W. Johnson, president of the regional WLB session that the local officers would call a meeting of the membership for next week to report and added "no strike would be called before we have a chance to report."

Lt. C. R. Parrent Is Visiting Here

TICONDEROGA

CONTINUED FROM FIRST PAGE
through a cloud bank to crash through the flight deck. The bomb exploded between the gallery deck and the hangar deck which was packed with aircraft being refueled and rearmed. Main girders in the vicinity of the explosion were twisted by blast and heat. The fire, fed by gasoline, spread swiftly to the wardroom passage and the staterooms.

Changed Course

On the bridge, her skipper, Commodore (then Captain) Dixie Kleefeld, Kansas City, changed course to keep the wind from feeding the fire. Below decks, her executive officer, Comdr. William O. Beach, Norfolk, Va., supervised the loading of magazines to prevent explosions and other compartments gave the ship a 10-degree list.

Then dumped flaming gasoline overboard from the hangar deck.

Under Comdr. (then Lieut. Cmdr.) Francis Mallory Jr., Norfolk, Va., the crew fought the flames and jettisoned bombs. Loaded gasoline tanks were punctured and drained overboard to avoid explosions. Firefighters and plane handlers removed smoldering and burning planes and shoved them overboard while the flames were confined to the forward portion of the hangar deck.

Carrier Hit Again

Then, while all this was in progress, the crippled ship was hit again. Overhead, her planes had shot down five of the enemy, and her antiaircraft gunners had accounted for three more.

But through the captain of AA fire the second Kamikaze, although hit, crashed his plane and a bomb load into ship's superstructure. One of his bombs exploded just outside the island, ripping holes in the flight deck and starting more fires.

Among those caught in the second attack were Commander Eurch, who was seriously wounded, and Commodore Kleefeld, wounded in 65 separate places.

Despite his injuries, however, Kleefeld continued for 12 hours to direct his ship and refused treatment until midnight when he was assured that all injured men had been cared for.

The second plane struck just before one o'clock, and by 2:37 all fires were under control without assistance from other ships.

At the end of her struggle, the Ticonderoga still was able to launch and land aircraft.

PACIFIC WAR

CONTINUED FROM FIRST PAGE
closer to and south of the capital. Cause Heavy Damage.

The 1,500 allied planes on Sunday wrecked innumerable defense installations, factories, 17 aircraft and a dozen small surface craft. Land-based planes, some of them piloted by the first arrivals from the European theatre to his Japan, wrecked 29 Japanese vessels. They were hunted down in the Sea of Japan northwest of Honshu, in the Yellow Sea between Korea and China, off Southern Japan, the China coast and Borneo.

The mikado's air force, which "got its bellyful of fighting in the Philippines," is befuddled by the extent of these attacks it doesn't know what to do, said Lt. Gen. Dennis C. Whitehead. He is directing Far East air forces attack from Okinawa and intimated he expects to move his headquarters to Southern Japan. He didn't say when.

Not Worth Meeting

One Japanese explanation was that the Japanese command would continue to "wait and see." This radio apologist termed combined allied naval and air attacks on Japan as "insane" and "so trifling that they were 'not worth meeting."

More realistic commentators said the Japanese felt so insecure they were hoarding their money. They called on the government to give real leadership to the people and complained about aircraft production bottlenecks.

Despite these signs of Japanese weakness, Washington dispatches reported U. S. Military leaders are planning a war lasting until January 1946 and do not count on peace overtures. Americans plan on campaigns in China but Generalissimo Chiang Kai-Shek reiterated his forces could handle the job.

Russian Entrance.
The Big Three meeting in Berlin may result in Russian entrance in the Pacific War. This would relieve Americans of fighting on the continent.

China's armies are not yet ready or equipped for a grand scale offensive. Most of their victories have been merely taking advantage of Japanese withdrawals. Today Chungking reported capture of Pukiang, 150 miles southwest of Shanghai, and fighting against resurgent Japanese on the Indo-China border.

Australians advanced on both southern coasts of Borneo, penetrating 30 miles inland from the muri oil fields on the west. They were supported by light U. S. 7th Fleet units in the Balikpapan area on the east.

Gurkha Troops Occupy Laya
CALCUTTA, July 19.—(AP)—Gurkha troops who occupied Laya railway station 26 miles northeast of Pegu have been shelled by Japanese artillery massed in the lower Sittang river bend area for what Allied officers said might be the showdown battle of that area, southeast Asia. Command Headquarters announced today.

Jap Shipping Sunk.

OKINAWA, July 19.—(AP)—Navy patrol planes penetrating deep into the Sea of Japan and into the Yellow Sea west of Korea today sank two medium freighters and 13 small craft. Two others were damaged near Southern Japan.

U.S. Thomas J. Watson, Dubon of Rhone, Texas, and Harry Dubon of Corvallis, Ore., got direct hits on a 2,000 ton freighter and a 3,000 ton freighter transport—the largest the patrol planes have sighted for weeks—and left both sinking off northwest Honshu.

BLASTS

CONTINUED FROM FIRST PAGE
one in the immediate vicinity of the first terrific explosion could have survived.

About 10,000 persons had been killed or injured in the danger area after the first of the major detonations at 6:35 p. m. (6:35 p. m. Eastern War Time.)

From that time until after midnight blasts of varying degrees of intensity continued to rock the area of the naval depot.

There was no immediate official explanation of the cause of the initial explosion. One unconfirmed report said it was touched off when a barge caught fire while unloading.

Snowflake rockets, used for illuminating targets during the war at sea, flowered over the scene with a roar. Virtually every store window in Halifax and Dartmouth was believed to have been smashed by the series of detonations.

BIG THREE

CONTINUED FROM FIRST PAGE
might take to expedite the unconditional surrender of Japan and if the report of the president's offer is true, much has been accomplished to speed the work of the conference.

The president was reported to have told Prime Minister Churchill and Premier Stalin that the U. S. government would give full support to any reasonable settlement of boundary disputes, stabilization and rehabilitation.

(In London, well-informed diplomatic sources expected the Big Three to amputate a huge slice of Eastern Germany for the benefit of Poland.)

There is speculation here on Russia's possible participation in the war on the Asiatic mainland. The Soviet Far Eastern army had been strengthened continually since last fall.

FUNERAL SERVICES THURSDAY AFTERNOON FOR KERENS PIONEER

KERENS, July 19.—(Spl.)—Funeral services for Washington C. Ingram, 74, who died at the home of his daughter, Mrs. R. D. Mahry, here early Wednesday morning, were held from the Mahry home Thursday afternoon at 5 o'clock. Revs. Margaret B. Howell and J. W. Ousley conducted the rites.

Ingram was a pioneer resident of Kerens. He was born at Rural Shade and spent most of his life at Kerens. He was a prominent farmer and business man here. Surviving are one son, Walker P.

BLOOD PLASMA FAILS TO RALLY CRITICALLY ILL CORP. NEWMAN

MIAMI, Fla., July 19.—(AP)—Blood plasma administered to Corp. James E. Newman failed to rally him and his condition today was still "very grave," his physician Dr. Jack Daly, reported.

The plasma was given to Newman last night, as the youth, who came home after three wretched years in Japanese prison camp, lost ground in his fight for life.

But his mother kept unwavering faith. She had turned him over to the Lord, Dr. Daly said.

At New Guinea, where Newman was brought after liberation, doctors said he would die. He was suffering from malnutrition, beriberi and tuberculosis of the lungs and throat and stomach.

His parents asked that he be brought home.

"They told me his case was absolutely hopeless," Mrs. Newman recounted. "They said he couldn't live through any sort of trip. I told them at least he could die happy on his way home."

Since July 2, Newman has been home.

Although too weak to talk, he still has that smile on his face, a sister, Mrs. C. L. Brown, said.

ALABAMA COUPLE CONVICTED SLAYING WOMAN'S HUSBAND

MONTGOMERY, Ala., July 19.—(AP)—Mrs. Frances Brown, 40, and Gene Johnson, 42, accused of slaying the former's husband by shooting fire to his clothing were convicted of murder and given life prison terms by a trial jury last night.

Tried jointly, both defendants went to the witness stand and each denied participation in the slaying.

Before the state rested yesterday, Circuit Judge Eugene Carter admitted as evidence the purported confession by Mrs. Brown.

Her husband, Henry E. Brown, about 50, died in a hospital last Feb. 11 a few hours after he was found in a muddy pool near his burning home.

Henry Peckler, Ed Y. Lacey identified the statement for the jurors. It quoted Mrs. Brown as relating that Johnson knocked her husband down, and then forced her to pour oil over him and set his clothing afire.

Lacey testified, however, that she later repudiated the statement.

An insurance company representative told the jury that Brown had taken out a \$275 life insurance policy and named Mrs. Brown as the beneficiary.

T-5 Troy Whitener Has Been Awarded Bronze Star Medal

MRS. J. F. SIMS, PIONEER RESIDENT OF DAWSON, DIES

Mrs. J. F. Sims, age 88 years, pioneer Dawson resident, died at her home Wednesday afternoon.

Funeral services were held from the First Methodist church in Dawson Thursday afternoon at 4 o'clock with burial in the Dawson cemetery. The rites were conducted by Rev. H. C. Bowmen, Rev. Ross Smith, pastor of the church; Rev. Max Neal, Rev. E. O. Hearn, and Rev. Fred Walker, a grandson of the deceased.

Mrs. Sims was a native of Mississippi, but had resided in Dawson most of her life.

Surviving are a son, Clyde Sims, Dawson; five daughters, Mrs. W. B. Chauncey, Wichita Falls; Miss Freddie Sims, Mrs. W. A. Lancaster and Mrs. C. M. Lowrimore, all of Dawson, and Mrs. Floyd Price, Coleman, and a number of other relatives. Wolf and Dobson Funeral Home directed.

Injured While Playing

Sammie Allison, five-year-old son of Mr. and Mrs. O. W. Allison, 1207 West Thirteenth avenue, received a dislocated and fractured right elbow while playing Tuesday afternoon. He fell on the arm.

Despite the hazards of the fire and the possibility of a repeated explosion, Whitener, who had left the cover of his foxhole and went to the rapidly spreading fire, the accompanying citation read.

"He whipped the blazing net

way from the guns and ammunition and grabbed a nearby shovel to another the flames with dirt. The fire was swiftly extinguished and the vital gun and ammunition were saved.

The quick-thinking, bold action and self-sacrifice displayed by T-5 Whitener reflect great honor on himself and his country," the citation said.

DEMOLISHED CHURCH, OTHER BUILDINGS IN MANILA PICTURED

Photos of a number of demolished church and governmental buildings in Manila have been sent to the parents, Mr. and Mrs. F. O. Warren, 1018 South Sixteenth street, by First Lt. Guy F. Warren, U. S. Army Engineering Corps, Philippines Islands.

The offices were destroyed and damaged in the fighting incident to the liberation of Manila from the Japanese.

The officer has been overseas 30 months and went to the Philippines area from the New Guinea sector.

The latter pointed out that the engineering department is constructing a huge hospital on Manila Island, to cover 1300 acres of land and to include 850 buildings.

Local WOW Hosts To Central Texas Logrollers' Body

Members of Navarre Camp No. 5, Woodmen of the World, were hosts to the Central Texas Logrollers' Association at K. of P. Hall on Monday evening. John N. Cochran of Montgomery, Ala., national watchman, was guest speaker.

Out of town members who acted in an initiatory capacity were C. E. McGehee, and one Bill of Fort Worth; Major Frank DeHay and R. H. Lewis of Waxahachie; Porter Speed of Texarkana; J. M. Woodward of this city was also a participant.

Out of town visitors included John Nalle of Mansfield, State Manager J. R. Sims and Log Roll Director Claude Hamilton of Dallas; National Auditor John Wohl of San Antonio; John W. E. Goodwin of Belton; Budgie M. Morris; Walter Smith of Rice, W. P. Thorpe of Chaffield and R. D. Hamilton of Rodney, Ala. Starers of this city had charge of drill team.

Three service men in attendance were Sgt. Marvin Keathley of Miami, Fla.; Pfc. J. M. Bowmar, who has just returned from overseas, and J. M. Miller.

LURE OF THE CITY WAS STRONG, EVEN WHEN LOT CHOSE SODOM*

"Back to the Land" Movement Among Returning Veterans Warranted by Experience of the Race—Tragic Consequences Of Lot's Decision.

By WILLIAM T. ELLIS and
EARL J. DOUGLASS

feared the allure of the cities. He liked the idea of going to town for his shopping. At first he only pitched his tent toward Sodom. Later he decided to leave tents and all they stood for and move into the city. Gradually his hands accustomed to the bright lights. If there had been night clubs in Sodom, he would have made the rounds of them. His was not a deep nature. The glitter and sophistication of city life appealed to him. While his Uncle Abraham sat under the stars communing with God, Lot lounged in the wine shops of Sodom.

It was the next step. Lot moved his family into the city—with tragic consequences. Only the intercession of Abraham saved him from destruction when Jehovah poured out His wrath upon the citadel of sin.

This old choice between city and country confronts myriads of returning soldiers. Pleasures innumerable, and quick prizes, await the young man in the city. But in the country, human rods strike deep, and character grows strong. Independence is there, and simple neighborly fellowship, and habits of worship and health for the family. To me close to the soil means, for most men, to be close to God. Not all cities are as Sodom and not all rural communities are paradise. But the Lot who became entangled in a city's ways and fate would have been a different man had he abode by his flocks in the fields. He missed life's gold in grasping at its tinsel.

SEVEN SENTENCE SERMONS

Never say you know a man till you have divided an inheritance with him.—Lavater.

To turn all that we possess into the channels of universal love becomes the business of our lives.—John Woolman.

Little deeds of kindness, Little words of love, Help to make earth happy Like the heaven above.—Julian A. Fletcher.

Intoxication is not the wine's fault, but the man's.—Chinese Proverb.

Let there be no strife, I pray thee, between me and thee . . . for we are brethren.—Genesis 13:8.

I have such eagerness and hope, To benefit my kind; I feel as if immortal power Were given to my mind.—Landon.

Our civilization cannot survive materially unless it be redeemed spiritually.—Woodrow Wilson.

The Sunday School Lesson for July 22 is, "Abraham's Practice of Brotherhood"—Genesis 13:15.

Army War Casualty List For Wednesday

Army war casualties as announced by the war department included the following from this section.

ARMY WOUNDED.
Pacific Regions.
Pfc. U. D. Walker, husband of Mrs. Jackie M. Walker, Hubbard.

Lt. W. G. MADARIS, JR. FUNERAL SERVICES IN DALLAS THURSDAY

Funeral services for Lt. William Garland Madaris, Jr., 20, son of Mr. and Mrs. W. G. Madaris, 1102 Lousanne, Dallas, killed in an airplane accident near Handix Field, Sebring, Fla., Saturday, were held at 10 a. m. Thursday from the Lamar-Smith Funeral Home, Dallas, according to information

received by Corsicana relatives. Lt. Madaris received his wings at Alois Field, Victoria, and was instructor at Perrin Field, Sherman, for several months.

He was graduated from Sunset High school and was a member of the National Honor Society. He later attended A. and M. and SMU. At the latter school he was a member of the Kappa Alpha Fraternity. He was a member of the Cliff Temple Baptist Church.

Besides his parents, he is survived by one brother, Robert; his grandparents, Mr. and Mrs. W. R. Madaris, and Mrs. Lessie Lake, all of Dallas.

He is the nephew of Mr. and Mrs. Byron Cheney's home at 1541 West Fourth avenue Monday night.

Mrs. Cheney told city police the burglar took a purse belonging to her daughter, Mrs. Carl Ashworth. It contained two silver dollars, small change, a \$50 check made payable to Mrs. Ashworth and signed by Mrs. Claude Farmer, a social security card, driver's license and other papers.

As if this wasn't enough, the burglar walked out the front door with eight other valuable items—packages of cigarettes!

PLANS COMPLETED FOR COUNTY 4-H CLUB GIRLS' CAMP

TWO DAY PROGRAM IS SCHEDULED AT WANICA STARTING JULY 26TH

Navarro county 4-H Club Girls are busy collecting sports toys, swim suits, flashlight, bed-rolls, lunch baskets, and all the necessary what-nots for "life in the open." The occasion for all this preparation is a two-days' camping program scheduled for club girls of the county which begins at Camp Wanica on Thursday, July 26.

To date 57 4-H Club members and their sponsors have registered for the camp. Miss Jo Ann Millican, assistant home demonstration agent in charge of the campaign, announced an interesting program.

A glance at plans for the two days at Wanica reveal a most interesting program including a variety of educational and recreation activities.

The camp will be under direct supervision of Miss Millican, with final registration scheduled to begin at 10:00 a.m. Thursday. The girls will bring their own baskets for a picnic lunch at the camp lodge at 12:00 noon on the opening day, but all other meals will be prepared and served collectively at the lodge.

The first afternoon's program will include camp instructions, given by Miss Millican from 1:30 till 2:30, and election of cabin leaders, song leaders, camp captains, and a short sing-song from 2:30 till 2:45.

Craft Classes

Handcrafts will occupy the campers' time for 2:45 till 4:30 when those who wish to swim and who have permits from their parents will splash in. In the craft classes supervised by Miss Millican, the girls will make daisy necklaces, weave headbands, bookmarks, and belts on macaroni looms, and make ivy-containers to be used in decorating their houses.

Navy Inaugurates Drive To Recruit 2,000 New WAVES

The Navy has launched a drive to recruit 2,000 new WAVES, heavy casualties in the Pacific having brought about an urgent need for women, according to recent announcement.

A thousand recruits will be assigned to the Naval Hospital Corps. The other thousand will be given shore jobs now held by men, so that male personnel may be used for sea duty.

Women between the ages of 18 and 36 are sought. Married women will be accepted if they have no minor children and meet other requirements. Two years of high school is the educational necessity.

Two WAVES are on duty at the Recruiting Office, Room 542, Federal Building Dallas, to take applications. Those accepted will be given six weeks of basic training at Hunter College, New York City.

At 4 with headquarters at College Station, will present a discussion on "Date Cues" to the 4-H girls at 8:30 Thursday evening.

The day's program will be concluded by a campfire ceremony by the club members, directed by Miss Millican, assisted by Miss Vera Sneed.

Breakfast at 8

The rising bell will sound at 7 a.m. sharp to start the second day's activities. Swimmers will be allowed to indulge that sport from 7:00 till 7:45, returning to the lodge for breakfast at 8:00. The hours from 9:30 till 11:00 a.m. on Friday will be devoted to crafts and indoor games, all necessary to camp out from 11:00 o'clock till noon.

The girls will observe a "quiet hour" from 1:00 till 2:00 p.m. on the closing day, with another hour devoted to crafts and a general assembly at 3:30 p.m. when articles made in handcraft classes will be displayed.

Following a camp inspection at 4:00 p.m., the campers will "break camp" and return home.

List Equipment

Every girl is to be responsible for her own transportation to and from Wanica, Miss Millican has announced, and each registrant requested to provide the following equipment: a picnic lunch for Thursday, two sheets, a pillow and slip, blanket, towels, wash cloths, soap, sun suit, pajamas, a small toilet article, flashlight (if desired), pencil and paper, drinking cup, play suit, stockings, or wash dresses, 2 eggs, 2 potatoes, 4 odd shaped jars, and permit to swim.

Aviation Cadet Jack W. Rivers, son of J. H. Rivers, 822 North Commerce street, Corsicana, has begun an 18 weeks' training period at the Central Flying Training Command school at the Children's Air Academy, Childress, Texas.

He is training for his wings as a bombardier-navigator. Flying on day and night practice missions, Cadet Rivers, while gaining a working knowledge of gunnery, photography and other crafts of military aviation, will become skilled in the operation of America's most deadly weapon, the bombsight, and in the science of dead reckoning navigation.

Pvt. Arthur R. Kelly has been transferred to Washington and is now on his way to the western state, according to a letter received from him by his mother, Mrs. Mary E. Kelly, 921 South Twenty-eighth street. Pvt. Kelly was a messenger boy for the Western Union in Corsicana before entering the service.

ABOARD THE USS GREGORY, Western Pacific Frederick Davis, 23, steward's mate, second class, USNR, son of Mrs. Essie Davis of Richland, serves aboard this destroyer which already has shot down six enemy planes and taken part in two major engagements, although she has been fighting in the Pacific theatre only since last October.

Benjamin A. Brooks, Jr., 20, aviation machinist's mate, first class, USN, son of Mr. and Mrs. Benjamin A. Brooks, 4015 Worth street, Dallas, has returned to the States after serving overseas for 17 months with the naval air arm.

Brooks, plane captain and air crewman in one of the navy's large flying boats, the Martin Mariner, served with a patrol bombing squadron attached to the Atlantic Fleet.

He entered the navy in February, 1942, and after completing operational training in Banana River, Fla., was assigned to a patrol bombing squadron destined to operate in the Caribbean-Atlantic theatre. Before entering the navy he was employed by the Rosedale Grocery Co., Krens. He attended the Blooming Grove and Kerens High school.

Charles O'Neal Daniel, 21, pharmacist's mate 2c, U. S. navy, left Wednesday morning for Dallas, en route to a re-assignment post, following a 30-day leave spent with his parents, Mr. and Mrs. C. E. Daniel of Corsicana. He has been overseas 2 1/2 years. He enlisted in the navy four years ago.

Pvt. Mitchell Boyd, U. S. army, Fort Lewis, Wash., has been discharged from the hospital where he was confined by an attack of influenza, according to information received by relatives here.

Robert E. Blitner, gunner's mate, first class, U. S. Navy, recently has been transferred to sea duty in the Pacific after spending the past 11 months in the Mediterranean. He has graduated from Corsicana High School in 1942 and entered

the navy in February, 1943, as a gunner's mate.

He entered the navy in February, 1943, as a gunner's mate.

CARL M. HAGLE HAS BEEN PROMOTED TO FIRST LIEUTENANT

A FIRST TACTICAL AIR FORCE B-26 MEDIUM BOMBER GROUP, France—Carl H. Hagle of 1618 West Second avenue, Corsicana, Texas, has been promoted to first lieutenant. A first tactical air force B-26 Marauder pilot, he has been overseas five months with the oldest medium bomber group in the AAF—the group which supplied 79 of the 80 men who took part in the famous first Tokyo attack led by Lt. Col. James H. Doolittle.

Lt. Hagle has flown 14 missions with this veteran First TAGAF B-26 group. He has been awarded the Air Medal and is authorized to wear the European Theater ribbon with one star and the Distinguished Unit Badge.

Dr. Dawson Will Conduct Survey Of Baptist Seminaries

Departing on Sunday afternoon for Louisville, Ky., Nashville, Tenn., New Orleans, La., and Fort Worth, Texas, Dr. J. M. Dawson of Waco, who is well known in local Baptist circles, will join with other members of a committee to survey equipment and methods of four Southern Baptist Theological seminaries. These institutions include the Southern Baptist, Louisville; Southern Baptist, Negro, Nashville; Baptist Bible Institute, New Orleans; Southern Baptist Southwest, Fort Worth.

On the committee with Dr. Dawson, who is chairman, will be Dr. Austin Crouch, executive secretary of Southern Baptists, Nashville; Dr. George Ragland, pastor First Baptist Church, Louisville, Ky., formerly professor of Greek at Baylor University, and Dr. J. C. Wilkinson of the University of Georgia, Athens, Ga.

Get PENRICH
100% PURE PENNSYLVANIA OIL

Penrich is a top grade motor oil at low cost. Its greater resistance to change of body under grueling driving conditions adds to the life of your motor. It has low carbon content and is easy flowing at all temperatures. Penrich is an emblem oil—bearing the emblem and permit number 387 of the Pennsylvania Grade Crude Oil Association. This means it has met the strict standards and specifications of the Association.

**SERVICEMAN'S WIFE
MAY APPLY FOR CARE
IN MATERNITY CASES**

AUSTIN, July 19.—(Spl.)—A serviceman's wife may apply for maternity care and care for her baby under the emergency maternity and infant care program, even after her husband has been honorably discharged, promoted, or separated, provided she was pregnant during the period when he was in one of the four lowest pay grades of the services or was serving as an aviation cadet. On the same basis, she may apply if the husband and father is a prisoner of war, missing in action or dead.

This clarification as to who is entitled to care under the government's emergency maternity and infant care program was made today by Dr. Geo. W. Cox, state health officer. The state department of health administers the program in Texas.

Heretofore the application for care had to be made while the serviceman was in one of the eligible grades. Now all that is required to establish eligibility is proof that the wife was pregnant while he was in one of the eligible grades. The infant in these cases is also eligible for full care during his first year of life. Similarly, if the father of an infant whose mother did not receive care under the program was in one of the grades at any time during the infant's first year of life, the infant's eligibility for care under the program is established.

Policy: Retroactive.

The greatest effort of the new policy, which is retroactive to January, 1945, will be in bringing infants of discharged servicemen under the program for the full year in which the infant is entitled to care. The new regulation also clears up a matter about which some confusion had existed, that is, whether widows and their infants are eligible. Under this interpretation they are without question eligible.

The procedures to be followed in establishing eligibility is simple. The wife has only to show to her physician or other authorized person assisting her in filling out the application form an envelope or V-mail letter from her husband, her allowance card or other official communication dated at a time when he was in one of the eligible grades. If she does not have such evidence, the state health department can make inquiry of the appropriate armed service.

"Clarification of this matter by congress brings the whole undertaking in line with the spirit of the law," Dr. Cox said. "The important matter is to get care to these women and their babies, not fine points of when the application was made. Surely all can see the justice of taking care of these men's wives and babies."

INFORMATION FOR HOMEMAKERS ON HOW TO FREEZE PEACHES

Homemakers who plan to freeze peaches this summer will welcome the news that research scientists have solved the problem of darkening, advises Miss Vera Sneed, county home demonstration agent. She points out that frozen peaches exposed to the air during thawing often turn brown, and that peaches ordinarily darken rapidly after peeling. This darkening does not indicate spoilage, according to Miss Sneed, but it gives the peaches an unattractive color and sometimes develops off-flavors.

Successful Tests

Laboratory tests on various anti-darkening agents have been made by home freezing specialists of the U. S. department of agriculture. They find that careful handling during freezing and thawing helps to prevent darkening, but for the best results, they recommend using either citric acid or ascorbic acid (Vitamin C) as follows:

Wisepeach vs. Dale Scott, divorce granted.

Mr. Josephine Eubanks vs. Eugene Eubanks, divorce granted.

Clarissa Cavanaugh vs. Curtis Cavanaugh, divorce granted.

Edna Mae Meadows vs. Hezakean Meadows, divorce granted.
